Waimea Middle School

Meet your child's teachers and our new Principal and learn about our schoolwide focus on academic G-R-O-W-T-H and well-being to prepare for high school and beyond.

Check into the cafeteria at 4:45 p.m. for directions to immediately go to classrooms for small group grade level meetings with your child's teachers from 5-5:55 p.m.

Then visit other classrooms briefly and head back to the cafeteria for a delicious (free!) dinner and important school update. Pau by 7 p.m. for sure!

Dinner: Kalua Pig & Cabbage with Hapa Rice. Also a vegetarian option.
