# 8th Grade Ho'ike

Thursday, March 7th, 2019 from 5-6:30 pm

Join the 8th grade for an evening filled with presentations and displays. The focus of this Ho'ike will be the sharing of student projects on major topics in U.S. History.

Please join us upstairs in the Keaoakea STEAM Learning Center at 5 pm. Light refreshments will be provided.

Students are encouraged to remain at school after dismissal on Thursday. They will be setting up their projects, eating an early dinner, and practicing presentations. If students are unable to stay after school please plan to have them arrive back at school no later than 4:45 pm.

Families make an important contribution to student learning. We would like each student to have at least one adult family member in attendance and can't wait to see you there!

**PARKING:** The back entry gate will be open. OK to park near the STEAM Learning Center but please do not drive or park on the field. OK to park on grass fronting Mala'ai garden, and along the edge of entry drive and the parking lot near College & Career Center. Suggest bringing a jacket.
