

WAIMEA MIDDLE SCHOOL

"Empowering all students with the skills, values and cultural understanding to successfully navigate high school and beyond."

A WASC-Accredited Public Conversion Charter School – 2014-2020

August 12, 2020

Aloha Families,

To support school and community safety first, Waimea Middle Public Conversion Charter School is committing to go distance learning when school reopens Monday, August 17, 2020 through at least the First Quarter of the 2020-2021 school year. This means distance learning will continue through October 2nd.

This is a longer period for distance learning than for other schools in the West Hawaii Complex Area because we decided that students, families and teachers need and deserve certainty about school throughout the entire quarter.

Between now and Monday, August 17, we are putting plans in place to ensure that all students have access to a comprehensive curriculum which will enable them to maximize their learning.

We expect to deliver all the supplies we anticipate students will need to have a successful first quarter including a student planner, AVID supplies and a student schedule, as well as reading and math books. We are here for you, call or email. We will answer your questions.

The school office is (887-6090 Ext. 222) or email phonemessage@wmpccs.org, or go to the school website: www.WaimeaMiddleSchool.org.

Mahalo.
